MINNESOTA TRUCKING ASSOCIATION PRESENTS BONNIE SUPAN WITH THE 2017 OUTSTANDING SERVICE AWARD

BROOKLYN CENTER, MINN. (August 10, 2017) – Bonnie Supan, General Manager of Brenny Transportation in St. Cloud, MN, was presented the Outstanding Service Award at the annual conference of the Minnesota Trucking Association (MTA) on August 2, 2017.

“Bonnie Supan has been active with the MTA since 1996, and currently serves as the Chair of the Annual Conference Committee,” said MTA President John Hausladen. “She has shared her many skills in a variety of capacities over the last 2 decades, and her efforts make the MTA a better and stronger organization. Bonnie is driven to serve, and is ready to help whenever she’s asked.”

Brenny was founded in 1996 by Joyce and Todd Brenny, who wanted to create a company that treated people with integrity and respect, a company which honored champion character and empowered creativity. Bonnie Supan was hired at that time as the company’s Operations Manager.

The MTA Outstanding Service Award was created to recognize an individual who has significantly contributed to the programs and mission of the Minnesota Trucking Association.

###

About MTA: The Minnesota Trucking Association is a non-profit trade association representing roughly 700 member-trucking companies and allied firms from across the state. The membership reflects the diversity of the Minnesota trucking industry, including less-than-truckload, truckload, bulk, agricultural, heavy specialized and private trucking operations.
